These services share the responsibility for improving the well-being, inclusion and progress of each student they work with. They provide a range of support including:

- working one to one and with small group work with students
- providing training for teaching and support staff
- helping us to assess needs and plan next steps and review progress

You can find more information about specialist services who work with Brent schools in the Local Authority website:

## **FREQUENTLY ASKED QUESTIONS – Specialist Services and Teams**

### **Q. Will I be able to meet the speech therapist who is working with my child?**

A. If your child is receiving support from a specialist team, you will be able to meet a member of the team to discuss your child's progress. You will be consulted and kept informed of the process and outcomes.

### **Q. How long does a referral take?**

A. This depends on the needs of the student and the different services. You can find more details about the specialist services working in Brent schools and academies using the following link:

<https://www.brent.gov.uk/services-for-residents/children-and-family-support/the-brent-local-offer/>

There are some useful links on the school's SEND Policy for you to access, offering information and links to various services in Brent.

### **Q. If my child is referred to a specialist service, how will I know what's going on?**

A. We **will always** involve you in any decisions about whether your child has special educational needs and the best ways to provide support. If your child requires these services we will involve you in the process at every stage.
