

## D.I.V.A Independence Challenge 2

The Yr6 D.I.V.A.s were asked to use their initiative and enterprising skills to help raise money for the Lower School library (challenge 1). As part of their Independence Unit, this challenge helps them focus and understand careers, peer relationships, problem-solving and the world of work.

The Yr6 D.I.V.A.s pitched their fundraising ideas to a panel of judges at the Upper School which included: Upper School D.I.V.A.s, Business students, Honorary D.I.V.A. Mrs Loreen Williams. The Yr6 D.I.V.A.s were divided into three groups and pitched three separate ideas:

Group 1: Henna stall

Group2: Hand-painted art stall

Group 3: Sweet Stall

They did exceptionally well and the Upper school judging panel was incredibly impressed with their confidence, presence, focus and dedication. The judging panel were unable to pick one winner and chose two groups ( two & three) as joint winners.

As part of winning this challenge, the two groups will sell their hand-painted art and sweets on Friday the 8th March.

Group 3

## Winners!

Well done to all of the Lower School D.I.V.A.s for pitching their fundraising ideas! Their ideas were judged by the Upper School D.I.V.A.s Business students, Tanya, Kayja and Celine, with our very own mystery judge, Honorary D.I.V.A. Mrs Loren Williams.
