Dear Families

I hope you all had a restful Easter break and welcome to our very first remote summer term! We've all had to adapt to new ways of working, so I wanted to take the chance to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's understandable if you and your child feel anxious and frustrated at the moment. We're here for you every step of the way as we figure this all out together. Staff are continuing to provide feedback, praise for good work, achievement awards and other ways to stay connected through our 'google classrooms' and online presentations/videos.

Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by getting in touch. If your child has any issues at all, they should contact their form tutor or Director of Student Development in the first instance. If you continue to have concerns or do not hear back from a member of staff, please get in touch through our general enquiries email address [info@preston-manor.com](mailto:info@preston-manor.com) so that we can ensure the right person gets back to you.

We miss having the pupils in school, but we must continue to follow the government's guidance to keep everyone in our community safe. Therefore, we are carrying on with our remote learning and have a small provision at the school for vulnerable pupils and for children of critical workers. Our teachers will be setting plenty of tasks for pupils to get stuck into over the summer term. Do remind your child to take breaks away from screens as well, and also make time for having fun and connecting with friends and family.

While we can't say yet when we'll be able to open the school fully, rest assured that we'll continue doing our utmost to keep pupils learning and the school connected.

Yours sincerely

Beth Kobel
