tomatoes
courgette
plus their
own
seeds

1 Yew
class
rhubarb,
squash,
carrots red
onions

6 Pop
Onions
fennel
tomato
leek,
nastrurciu
m

6
Rowans
lettuce
radish
parsley
broad
beans
carrot

5 Willow

Runner
beans and
broccoli

5 Maple
Sunflowers

1 Ash

Wildflower patch

Alma's Strawberry
patch

Mrs
Allman's
sald patch

4
Cherry
Kale
rocket
and
spinach

3 Sycamore
peas and
onions

4 Chestnut Herbs

Coriander chives, basil
mint, parsley thyme

3 Beech

Peas from sees
and plant compare
and contrast

Year 1
potatoes

Year 1
potatoes

This year our site team arranged the installation of an outside tap near our garden so we could get a hosepipe to water the garden easily

YEAR ONE

1 Ash have sown a wildflower meadow from seed

1 Yew have grown Rhubarb, squash, carrot and red onions

Year 1 grew potatoes in
growing bags

Mrs Allman's extra salad box

1 Yew planted some lovely pots
for the staff outdoor area

YEAR TWO

2 Holly have grown tomatoes, courgettes

2 Fir have sown flowers and vegetables in pots in their class and transplanted them. They also have a pot of flowers to help pollination

YEAR THREE

3 Beech - have grown peas in their class and also direct into the soil

3 Sycamore have grown peas and onions

YEAR FOUR

4 Chestnut have created a herb garden

4 Cherry have grown spinach, rocket and kale

YEAR FIVE

5 Maple have grown a sunflower patch

5 Willow have grown runner beans but the high winds damaged them a bit , so we added some broccoli

YEAR SIX

6 Rowan have grown lettuce, raddish etc

6 Poplar have grown onions and marigold flowers

Our lovely cleaner Alma planted strawberries here a few years ago, now they have grown very well and produced loads of strawberries for the children to enjoy, especially as this year we covered them with netting to keep off the birds

On Friday 9th July a visitor from the London Children's flower Society came in to judge our garden.

We have been awarded a silver certificate and our work has been sent onto the next stage of judging. Well done everyone! Thank you to Faith (5 Willow), Hassan (3 Beech) and Kashvi (1 Yew) for meeting the judge and giving their feedback on the project
