

Preston Manor Upper School Risk Assessment				
Risks identified	Actions to mitigate risk	Who is at risk	What, By When and by whom	
Existing level of risk: Net Capacity		Consider current level of risk		
HIGH				
Likelihood:4 Severity:4	Medium	Low	Negligible	
Risk: 4x4 = 16				
Control measures		Who is at risk	What, By When and by whom	
	Contact will be made with AP providers to investigate measures to keep staff and students safe. Regular checks with students to see if they have any questions and to relieve anxieties	Students & Staff	STT September	
	Rooms will be accessed directly from outside where possible, and any corridors will have one-way circulation	All		
	Deliveries will be made to the main reception	Students & Staff	JB	
	Consideration given to premises lettings and approach in place, including risk assessments	All	NK	
	Educational Visits: Full risk assessment must be completed as per the EVC policy and obtained from the venue that is being visited.	Students & Staff	GBR	
Wearing Face Masks	Students are required to bring a face mask to school and will wear in communal areas and classrooms. There will be a limited stock available for students who do not have an adequate face mask	Students	Staff & Students	
	Staff are required to wear face mask when in communal areas and classrooms	Staff	Staff & Students	
	Visitors are required to wear a face mask when visiting the school site.	Visitors	Reception	
	Areas in use will be well ventilated by opening windows or using ventilation units. Doors will be propped open, where fire safety and safeguarding would not be compromised.	Students & Staff	Staff/JB	
	Lidded bins will be provided in classrooms and other key locations to dispose of tissues and any other waste.	Students & Staff	JB	
	Outdoor space will be used for exercise and breaks, and for education where possible.	Students & Staff	TA/KS	
Department Risk Assessments	Each department to carry out a risk assessment	Students & Staff	SLT/HODs	
Spreading infection due to excessive contact and mixing in meetings	Where possible, all meetings will be conducted by telephone or using video conferencing. This includes meetings with staff, parents/carers, visitors and governors.	Staff	EC/MM	
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM			Severity:4
Existing level of risk: Visitors/contractors to site pose risk of transmission to the school community		Consider current level of risk		
HIGH				
Likelihood:4 Severity:4	Medium	Low	Negligible	
Risk: 4x4 = 16				
Control measures		Who is at risk	What, By when and by whom	
	Visitors to the site, such as contractors, will be asked to take an LFD test before visiting and have guidance on physical distancing and hygiene explained to them on or before arrival. Visits will happen outside of school hours wherever possible. A record will be kept of all visitors	Students & Staff	NK/LW	
	Where possible, all meetings will be conducted by telephone or using video conferencing. This includes meetings with staff, parents/carers, visitors and governors.	Staff	EC/MM	
	Visitors are required to wear a face mask when visiting the school site.	Visitors	Reception	
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM			Severity:4
Existing Level of Risk: Minimising Risk of Infection Travelling to and from School		Consider current level of risk		
High				
Likelihood:5 Severity:4	High			
Risk: 5x4 = 20				
Control measures		Who is at risk	What, By when and by whom	
	• Staff and students to travel to and from school on foot, bicycle, motorcycle or their own car wherever possible	Students & Staff		
	• No car sharing apart from with members of own household	Staff, students and parents		
	• No use of taxis or private hire services without using a facial covering, carrying a hand sanitizer and washing your hands before and after use	Students & Staff		
	Anyone who needs to take public transport will be referred to government guidance.	Students & Staff		
	For dedicated school transport (i.e. Brent Transport), discussions will be held with the providers to make sure their staff:	Staff, students and parents	TNE	
	• Follow hygiene rules			
	• Try to keep their distance from passengers where possible			
	• That only one parent/carer should attend			
	• Not to gather at entrance gates or doors, or enter the site unless they have a pre-arranged appointment	Staff, students and parents		
	Students will be supported to safely don and doff their face masks via signage and advice from staff	All	Staff	
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM			Severity:4

Risks identified	Actions to mitigate risk	Who is at risk	What, By when and by whom	
Existing level of risk: Movement around the site- Risk of transmission through activities on site		Consider current level of risk		
HIGH			LOW	NEGLECTIBLE
Likelihood:4 Severity:4	MEDIUM			
Risk: 4x4 = 16				
Control measures		Who is at risk	What, By when and by whom	
Adjustments to the site and signage enables staff and students to maintain social distancing.	• Each classroom, dining hall entrance and exit will have a hand sanitizer station. Students will sanitize their hands upon entrance and exit		GBR/JB	
	• Social distancing signage put around the school building being used to remind staff and students about social distancing, handwashing, Catch it, Kill it, Bin it etc		GBR	
	• School will operate a 1-way system for moving around the M-Block, P-Block and J-Block		STT	
	• Each bin is fitted with a swing lid		JB	
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM		Severity:4	
Existing level of risk: Aysmptomatice students and staff attending school		Consider current level of risk		
HIGH		Low	Negliable	
Likelihood:4 Severity:4	Medium			
Risk: 4x5 = 20				
Control measures		Who is at risk	What, By when and by whom	
Students with consent will be tested 2 times at school. Following the 3rd test students will complete 2 home test per week. Staff with consent will complete 2 home tests per week	PMS Testing Risk Assessment	Students & Staff	Students & Staff	
	Students will be supported with the LFT by staff who have completed training and have the necessary certification,	Students & Staff	Testing team	
	Students and staff will receive training on how to take home tests. Results of home tests will be uploaded onto the NHS T&T website and shared with the school by parents (if under 16), students (over 16) and staff. The school will keep a central record of these results.	Staff and Students	GBR: Support materials, assemblies and presentations	
	Staff and students who test positive will isolate for 10 days as per NHS guidance. NHS what-parents-and-carers-need-to-know .	Staff and students who test positive will isolate for 10		
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM		Severity:4	
Existing level of risk: Spreading infection due to touch, sneezes and coughs: Increased risk of transmission due to failure to follow government guidelines		Consider current level of risk		
HIGH			LOW	NEGLECTIBLE
Likelihood:5 Severity:4	MEDIUM			
Risk: 5x4 = 20				
Control measures		Who is at risk	What, By when and by whom	
Follow government guidance on handwashing through the provision of appropriate facilities/resources	• Students will be asked to wash hands in arrival using the toilets	All	Staff	
	• Students will be told to wash their hands when they return home.	Students & Staff	Staff	
	• Every room will have hand sanitiser, tissues and bins in each room. Bins will be emptied after each session.	Students & Staff	JB	
	• Soap and sanitiser checks made at the beginning of each day by the site team	Students & Staff	JB	
	Handwashing facilities will be provided as follows:			
	• MBlock, and 6th form toilets	All	JB	
	• Permanent sinks by all drinking fountains		JB	
• Hand sanitizer stations in each classroom, staff work rooms, the canteen and reception		JB		
Consider if there are any students at your school that won't be able to maintain good respiratory hygiene, such as students with complex needs who spit uncontrollably or use saliva as a sensory stimulant, and if there are different/additional measures you can put in place for these children and the staff who work with them.	Students & Staff	TNE/KR		
Students who intentionally fail to follow socially distancing guidance	Behaviour expectations relating to social distancing have been shared with students, their families and are reflected in the updated in the Good Behaviour Policy.	All	STT/GBR	
	Supplies for soap, hand sanitiser and disposable paper towels and tissues will be topped up regularly and monitored to make sure they're not close to running out			
	Cleaning staff will regularly (clean frequently touched surfaces using standard cleaning products (e.g. bleach, detergent).	All	JB/Cleaning Team	
	• Banisters	Students & Staff	After each lesson	
	• Classroom desks and tables (deep clean each day)	Students & Staff	End of the day	
	• Bathroom facilities; including taps and flush buttons (after break, lunch and at the end of the day)	Students & Staff	After break/lunch	
	• Door and window handles	Students & Staff	After break/lunch	
	• Furniture	Students & Staff	End of the day	

Regular and thorough deep clean in line with government guidance	· Light switches	Students & Staff	After break/lunch	
	· Reception desks	Staff	After break/lunch	
	· Classroom desks and tables	Students & Staff	After each use by staff	
	· Books and games and other classroom-based resources	Students & Staff	After each use by staff	
	· Computer equipment; including keyboards and mouse	Students & Staff	After break/lunch	
	· Telephones/Shared radios	Staff	End of the day	
	· Fingerprint scanners	Students & Staff	End of the day	
	Toilets	Students & Staff	After break/lunch	
	Canteen	Students & Staff	After break/lunch	
	• Cleaners to wear appropriate PPE			
	• All rooms and corridors are deep cleaned at the end of each day			
	• Special attention paid to handles and students' desk and teachers' desk, keyboards and mouse.			
• Multiple cleaners to be working before students arrive, during and after they leave each day.				
• Staff toilets and Kitchen area in the General Office are regularly deep cleaned.				
• Staff encouraged to bring own cup/bottle or use disposable cups				
Any resources shared between groups, such as sports, art and science equipment, will be either:	Students & Staff	JB/Tecnicians		
· Cleaned frequently				
The same rules will be followed for books and other shared resources that students or staff take home. However, unnecessary sharing will be avoided, especially where it doesn't contribute to pupil education and development.	Students & Staff	Staff		
Individual and very frequently used equipment, like pens and pencils, will not be shared.	Students & Staff	Students & Staff		
If a person with coronavirus symptoms comes into school, a deep clean will take place in the areas that the person has been in, following decontamination guidance.	Students & Staff	JB		
Teachers will wash their hands and surfaces before and after handling students' books.	All	Staff		
Assembly points, evacuation routes are confirmed, and signage accurately reflects these.	ALL	GBR/JB		
NB In the event of emergency the priority is getting out of the building calmly regardless of social distancing.				
Remaining level of risk		Consider level of risk following use of control measures		
HIGH	MEDIUM		Severity:4	
Existing level: Contact with someone suffering from symptoms of Coronavirus		Consider current level of risk		
HIGH			LOW	NEGILIBLE
Likelihood:5 Severity:4	MEDIUM			
Risk: 5x4 = 20				
Control measures		Who is at risk	What, By when and by whom	
• There will be a nominated team of trained first-aiders on site every day		All	KR/GBR	
• If students are demonstrating symptoms they will be taken to the welfare room and their parents/carers called immediately to collect them.		All	Staff/KR	
• Advice given for student to self-isolate at home for at least 10 (unless PCR result is negative) days and how to take a PCR test		All	GBR/KR	
• First-aiders will be required to wear full PPE whilst in close proximity to a student suffering symptoms of Coronavirus.		All	KR	
• Welfare room will need to be deep cleaned before it is used again		All	JB	
• Other students who may require first aid will sit in student reception. Students sent to the welfare room for non covid related incidents to be treated promptly and sent back to class or home as soon as possible.		All	KR/LW	
• Data base will record all cases of COVID related incidents identifying students and staff that may be at risk		All	KR/GBR	
• Guidance and procedure included in staff hand book and displayed around the site		All	KR/GBR	
• Staff training to take place throughout the year, including how to take a home test.		All	GBR	
Anyone self-isolating with symptoms will be encouraged to access testing and engage with the NHS Test and Trace process.				
If a symptomatic person comes into school, they will be sent home immediately or isolated in the welfare until they can be picked up. 999 will be called if they are seriously ill or injured or their life is at risk.				
In the case of a symptomatic student who needs to be supervised before being picked up:				
• If a distance of 2m can't be maintained, supervising staff will wear a fluid-resistant surgical mask		All	KR	
• If contact is necessary, supervising staff will also wear disposable gloves and a disposable apron		All	KR	
• If there's a risk of splashing to the eyes, such as from coughing, spitting or vomiting, supervising staff will also wear eye protection		All	KR	
Welfare officer to ensure there is adequate stock		All	NK/KR	
Supervising staff will wash their hands thoroughly for 20 seconds after the student has been picked up.		All	KR/Welfare /team	
If there are home testing kits available in school, these will be given to parents/carers collecting symptomatic children, and to staff who've developed symptoms at school, if providing one will increase the likelihood of them getting tested.		All	GBR/NK/Brent	
A deep clean will take place in the areas that the symptomatic person has been in, and PPE will be disposed of properly, following decontamination guidance.		All	JB	
If the school becomes aware that a significant number of students or staff test positive for coronavirus, the school will contact the local health protection team. The team will carry out a rapid risk assessment to confirm who's been in close contact with the person, and these people will be asked to self-isolate.				
To help with this, records will be kept of:				

	<ul style="list-style-type: none"> The students and staff in each group and teachers teaching across groups- SIMs 	Students & Staff	Welfare Team	
	Close contact means:			
	<ul style="list-style-type: none"> Direct close contact – face-to-face contact with an infected person for any length of time, within 1 metre, including: <ul style="list-style-type: none"> Being coughed on, A face-to-face conversation, or Unprotected physical contact (skin-to-skin) Proximity contacts – extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected person Travelling in a small car with an infected person (eg sibling) 			
	If there is an overall rise in sickness absence where coronavirus is suspected, the school will work with the local health protection team to decide if additional action is needed. Any advice given by the team will be followed.	All	GBR/BK/DP	
	<ul style="list-style-type: none"> Parent Guide/Leaflet has been sent to all parents and is on the school web site All members of the welfare team have been trained in these procedures 	Students & Staff	Welfare Team
