Physical Education and Sport Grant (P.E. Pupil Premium 2020/21)

From September 2013 the government are allocating funding directly to primary schools to support the provision of P.E./sport. Each school now receives £16,000 plus an extra £10 per pupil per annum. It's important that we use this money wisely. At Preston Manor Lower School we aim to give every child the opportunity to enjoy and develop their physical and sporting ability. We are aware that one in three eleven year olds in our area are overweight and/ obese and believe that P.E./Sporting activity is key to promoting healthier life choices.
