

## Appeal Dates & Information (primary school only)

If you have not been offered a place, the law entitles you to appeal against that decision to an Independent Appeal Panel. This panel is completely independent of the school and the Local Authority. Due to the current pandemic, all appeals will be heard online, but has the advantage that your appeal can be heard from your home or place of work.

If you wish to appeal, please use [this link](#) to complete your appeal online. Please do NOT use ANY other appeal form or send your form to your local authority. It is suggested that you download the explanatory booklet about appeals which you should read before you complete the appeal form. [Booklet Link](#)

You should include any evidence or supporting material with your appeal form and you **MUST** give the grounds for your appeal at the time you lodge your appeal form. Your appeal form will not be accepted unless you state the grounds for your appeal. You may appeal for more than one school.

Please note that the online form will ask you to download two utility bills dated in the last THREE months. If you do not have access to a scanner, please take two photographs with a mobile phone and upload the photographic files.

Full details about the hearing will be sent to you with your invitation to the hearing.
