

November 2023

Dear Parents and Carers,

Starting next week, on Friday afternoons we would like to introduce Show and Tell where 2 students can bring a special object of their choice from home to share with the class. The object will need to remain in a bag in the student's tray or at the teacher's desk until Show and Tell in the afternoon. Students **cannot** play with their toy (or other special object) during the day. This is to ensure that the toy does not get lost or damaged. This will be communicated to students, but please remind your child of this as well when it is their turn for Show and Tell. You will need to show us the object in the morning, so we can ensure it is appropriate. We will let you know a week in advance that it is your child's turn the following Friday. This way you will have time to check with the teacher if you are unsure.

Not all students will be able to take part this term, but they will get an opportunity later in the school year and we will keep a record of who has had the opportunity to show to date. If you have any questions please let us know!

Yours sincerely,

The Reception Team
