Preston Manor Lower School Relationships, Health and Sex Education

Year 1

New Guidance

- Health and Relationships Education is mandatory in all state-funded Primary Schools starting September 2020
- ► As parents/carers, you have the right to withdraw your child from all or parts of Sex Education lessons, but not Health and Relationships Education lessons.
- There is only 1 element of sex education, which happens in Year 6. Year 6 parents can withdraw their child from this if they wish.

Aim of this meeting

You will have the opportunity to look at the content of these lessons, and have a discussion with the teacher, prior to them being taught.

Overview of RSHE Curriculum for Year 1:

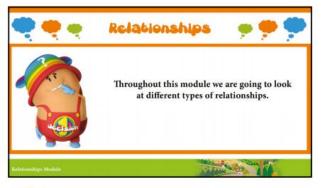

- (Baseline) who is special to me?
- (Baseline) What makes me special?
- Keeping Clean
- Families and Care

Who is special to me?/What makes me

special?

Starting point for this module.

Introduction to the module.

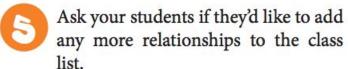

Ask your students to name different types of relationships and make a note of their answers.

Share Deedee's ideas with your students.

Who is special to me?/What makes me special?

Ask your students to complete the activity.

Who is special to me?/What makes me

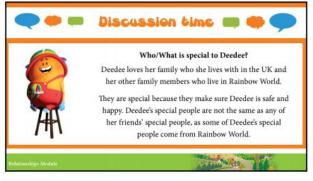

special?

Use the prompts on screen to start a discussion with your students.

Share the on-screen information with your students.

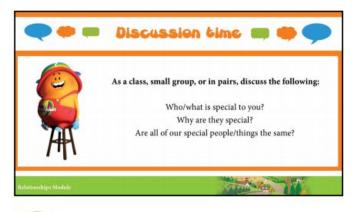

Share the information about Deedee's special people with your students.

Share the on-screen information with your students.

Who is special to me?/What makes me special?

Use the prompts on screen to continue a discussion with your students.

Ask your students to complete the activity.

Who is special to me?/What makes me

special?

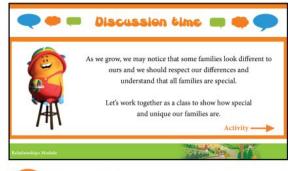

Share the on-screen information with your students.

B

Share the definitions with your students.

Use the prompts on screen to allow your students to discuss how unique they are.

Who is special to me?/What makes me special?

Share the on-screen information with your students.

Use the prompts on screen to continue a discussion with your students.

Keeping Clean

Lesson 1

Keeping Clean

Learning Intention

To understand some basic hygiene principles

Learning Outcomes

Know how to keep clean and look after oneself

Resources

Talking object

Story bag containing sponge, toothbrush and soap (and a school jumper or shirt if they have one)

Keeping Clean pictures

Keeping Clean

Activities

1. Ground Rules

In a circle, discuss the ground rules; include listening, not talking when others are talking, not laughing at other people, taking turns and teamwork.

2. Pass the Talking Object

Explain that the talking object gives the holder permission to speak and that no-one speaks unless they have the object in their hand and no-one speaks unless they want to. Pass the talking object around the circle. As each person receives the object ask them to complete the sentence *Hello my name is...* This is a good opportunity to gently remind the class of the ground rules as the object goes around the circle, for example, if someone throws the object ask them to try passing it again.

3. Feeling Faces

Ask the class to practice putting different feelings on their faces. Suggest happy, nervous, cross and proud. Ask the group to make a mask by covering their faces with their hands and then to think of something that makes them feel happy, giving examples such as a beautiful sunny day. On the count of three the group uncover their 'happy' faces. Gently shake off those faces and repeat with the other feelings. This helps to build a shared emotional vocabulary which can be used throughout the sessions.

Keeping Clean

4. Story Bag

Take the objects out of the bag and place them on the carpet. Explain that you are going to tell a story, which involves these objects. Ask the children if they can guess what the story is going to be about. Proceed to tell a story about a child getting ready in the morning for their first day at their new school. Choose a name and gender for the child and start the story with the child waking up. Ask the class what X needs to do to get ready in the morning. Ensure they include washing, brushing teeth and getting dressed. With each suggestion ask Will X need help or can s/he do this alone? For example, X may need help tying laces or doing up tricky buttons. Who could X ask for help? Encourage the group to act out elements of the story as it progresses, for example, waking up, or brushing teeth. Ask the class to use feeling faces finishing with a proud face at the end of the story as X wears the school jumper.

5. Keeping Clean Pictures

In small groups at tables, give each group a <u>Keeping Clean picture</u>. Ask the groups to discuss what the object in the picture is, how it helps people to keep clean, when is it used and would they need help to use it?

6. Feedback

Display all the Keeping Clean pictures on the whiteboard and discuss with the class.

7. Reflect and Review

To assess learning use the talking object to do a final go-round: One way to keep clean is ...

Families and Care

Year 1. Families & Care

Lesson 3

Learning Intention

To explore different types of families and who to ask for help

Learning Outcomes

Know there are different types of families Know which people we can ask for help

Resources

Talking object
Story bag - containing plaster and skipping rope
Families pictures

The Family Book, Todd Parr

Families and Care

Activities

1. Ground Rules

In a circle, discuss the ground rules and ask what the children remember from the last lesson.

2. Feeling Faces

Ask the class to practice putting different feelings on their faces. Suggest happy, shy, upset, sad.

3. Story Bag

In this story, X from the other two stories gets hurt after school while playing with a skipping rope by the playground gate. Children and teachers are in the playground and parents and carers are waiting on the pavement. Tell the story up to the point where X gets hurt, then consider the following questions with the class: Who can X go to for help? If there is someone s/he does not know waiting on the pavement, should X ask them for help? How does X want to be cared for? How could X's friends help? Draw together any conclusions and reinforce that it is important to ask for help from a trusted person.

Families and Care

4. Family Members

In groups, ask the class to think of as many different family members as possible. Give each group a Families picture to help them. Collect suggestions from the whole class and record on the board.

5. All Families Are Different

On the carpet, use the photos, like a picture book, to explain how families differ. Alternatively read The Family Book or a similar resource about families to illustrate difference.

6. Go-round

Finish with a go-round: If I needed someone to help me I would ask...

Additional Activities

Suggested reading: Happy Families, Allan Ahlberg Who's in a Family? Robert Skutch
