Dear Parents/Carers,

**Careers Week at the Lower School**

In March, we will be holding a Careers Week to encourage the children to think about the future.

As part of the week's activities, the school will hold a **workshop** on the **6<sup>th</sup> of March 2024** from **9:30 to 11.00 am**. This is to allow the KS2 children to find out about different careers.

We invite you to take part in the workshop by coming to our school and speaking about your career, talk to the children about what you do, any objects you use and all the good things about doing your job.

For more information, please speak to Ms. Teves.

If you can help, please fill in the reply slip below.

Yours sincerely,

Natercia Teves  
PSHE Lead
