

Year 1 Knowledge Organiser - Summer 1 2026

What it is like to live in Shanghai?

For Geography, we are going to be learning about Shanghai (China). We will learn about the location in relation to London (U.K). We will also compare the physical and human features listed below.

For your home learning project, make a model of any of the human or physical features listed above. Think of the bridges, rivers and roads in Shanghai. You can Google search the facts and make a fact-file. Bring these projects on the first day back from the Easter break..
