Black History Month – Honouring Our Communities

Dear Parents and Carers,

We need your help !

As part of our **Black History Month** celebrations this year, our theme is “**Honouring Our Communities.**” We would love to give our children the opportunity to meet members of our own school community and hear about the different ways you contribute to and support the wider community through your work.

We are therefore asking whether any of our parents or carers would be willing to **come into school and talk to a class about their job**, particularly if their role involves helping, supporting or working with people in the community. This could include a wide range of professions and roles, and we would be delighted to hear from anyone who feels they could share an interesting and inspiring experience with our pupils.

Examples could include **police officers, firefighters, doctors and nurses, teachers, social workers, lawyers, councillors, housing officers, transport workers, charity workers and sports/youth coaches.**

The children would have the opportunity to learn about your role, what you do to support others and the skills and qualities that are important in your work. We hope this will help children recognise the many different ways you make a positive contribution to their community and inspire them to think about how they can make a difference too.

If you would be interested in speaking to classes about your job, please email Ms Siddique q.siddique@preston-manor.com by 23.09.26 with a brief description of your job and how you support the community.

We would be incredibly grateful for your support in making our Black History Month celebrations meaningful, inspiring and connected to our own school community.

Thank you for helping us to celebrate and honour the wonderful people within our community.

Yours sincerely,

Qudsia Siddique

Deputy Head of the Lower School
