Dear Parents and Carers,

Knowledge Organiser and Home Learning Project

Over the half term holiday, we would like you to support your child with a History home learning project. Please read the **History knowledge organiser** with your child and talk about the key facts and vocabulary. Help your child to do some research about the topic and find out more information before they begin their new History unit in school.

The knowledge organiser can be found on the Google Classroom, on the website and your child will also bring home a copy.

This project will help your child learn some important information before we teach the topic in class. It will help them feel interested, confident and ready for their new learning when they return to school. You can help your child by **discussing ideas, visiting the library, looking at books or websites together, and supporting them to present their research creatively**. This can be in the form of a **fact file, a poster, a 3D model or a PowerPoint presentation**.

The completed project must be brought back to school on **Monday 2nd November**.

Thank you for supporting your child's learning at home and helping them to make a positive start to their new History unit of learning.

Yours sincerely,

Qudsia Siddique

Deputy Head of the Lower School
