

Art and Graphics Welcome to Sixth form summer project.

Art

You will be expected to have their own materials that is a sketchbook at least A5 size and painting materials be it acrylic or watercolour. The summer topic is HOME. You should produce a series of drawings painting or studies which describe what home is to them. This might be abroad or here. It could be a family meal or your bedroom but it should be a written illustrated reflection of home. I will expect to see at least 10 drawings. It doesn't matter if it is small but it must be detailed and you must write about what you are doing explaining why etc. They might want to look at other artist who depict their homes and try out their techniques. You will be expected to present your work to the class. Good Luck.

Graphics

Choose a building that you think represents an area, whether it be a famous building or a house in your street or a holiday cottage. Take 20 photos, thinking about lighting, close ups, surroundings, materials used to make the building. Produce 5 drawings using a pencil, pen and felt tip. Then chose a medium of your choice that is not pencil pen or felt tip to recreate your favourite photo. You will need to write up why you have chosen that photo and how the building represents the area a minimum of 300 words. You will be expected to present your findings to the class. Good Luck
