

Awards Evening 2016

Tuesday 13th December 2016
6.00-8.00pm

Guest of Honour

Anna Sella is an Associate Solicitor at International law firm Lewis Silk in LLP. She specialises in employment law.

Anna advises a wide range of clients (primarily companies but sometimes individual employees) on issues that arise before employment (such as contract terms and conditions), during employment (such as working time, discrimination law, managing performance and absence and dealing with disciplinaries and grievances) and on the termination of employment (for example redundancies). In addition to such day to day advice, she also deals with employment tribunal claims. She often writes articles on aspects of employment law for internal and external publications and is now involved in a wider working group of HR professionals, academics and policy makers considering the future of work.

Anna completed all her secondary education at *Preston Manor* and attended its *Sixth Form* before going on to study law at Oxford University.
