The Student Voice

In discussions with Form Tutors, DSDs and SLT, students identify ways of working together to help make our school a better place.

Comment :

'It feels good to know that we have a say in some of the decisions that are made in our school.'
(Year 10 student)

It is important to have a student voice in the school to let people and the community know that we can turn and change our school into a happier and safer environment. Teachers have to make sure students do not feel left out.

An Introduction to Form Representatives & The Student Council

For every student to be able to engage in democracy and to voice their opinions and suggestions in order to make a positive contribution towards improving our School.

WHERE EVERY VOICE IS VALUED

Have your say !

The Student Council is a place for students to voice their say. They take the lead in the running of many interactions not only within the school, but also with other schools!

The students are given the opportunity to become more involved within the school community.

You will find that there are many ways to make an active and enjoyable contribution to your school life. Make sure that your voice is heard and that you are not left behind.
